### GIFT VII Large-Scale Community Leadership Grants Listing

---

Lilly Endowment is making grants to support 11 community foundations in Indiana as they embark on large-scale leadership efforts to strengthen the towns, cities and counties they serve. Totalling more than \$33 million, the grants range from \$250,000 to \$5 million. They are being made through the competitive component of the seventh phase of the Endowment's Giving Indiana Funds for Tomorrow initiative for Indiana's community foundations, known as GIFT VII.

#### **COMMUNITY FOUNDATION OF ELKHART COUNTY**

Grant funding will support efforts to revitalize and expand the Tolson Neighborhood Center, the centerpiece of a cross-sector initiative to catalyze Elkhart County's most income-distressed community.

#### **COMMUNITY FOUNDATION OF HOWARD COUNTY**

(serving Carroll, Clinton and Howard counties)

Grant funding will support the establishment of a drop-in substance-use-disorder engagement center in downtown Kokomo and two satellite treatment locations in Clinton and Carroll counties to provide vital services for those affected by addiction and other mental health challenges.

#### **COMMUNITY FOUNDATION OF JACKSON COUNTY**

Grant funding will support efforts to increase accessibility to high-quality early childcare options in Jackson County.
