

# Giving Indiana Funds for Tomorrow

## Community Leadership Grants

In the latest round of grantmaking for its Giving Indiana Funds for Tomorrow (GIFT) initiative, Lilly Endowment is awarding \$11.25 million to community foundations across Indiana. The grants are designed to help community foundations address a wide variety of local priorities - from improving early childhood education and secondary and post-secondary educational attainment to strengthening economic and workforce development efforts, transportation plans and health outcomes. The Endowment is awarding 87 Community Leadership Grants that will fund work in 89 counties. Grant amounts range from \$75,000 to \$500,000 and are based on the population of counties served.
