

Pathways for Tomorrow Initiative

Grants Listing

Lilly Endowment Inc. has approved 84 grants to theological schools across the United States and Canada through the second phase of its Pathways for Tomorrow Initiative. The three-phase initiative is designed to help theological schools strengthen and sustain their capacities to prepare and support pastoral leaders for Christian congregations.

Ranging from \$500,000 to \$1 million, the grants will support efforts at 74 U.S. theological schools and 10 theological schools in Canada.

Additionally, the Endowment is making grants to the Association of Theological Schools and the In Trust Center for Theological Schools to coordinate the Pathways initiative during the next five years. Both organizations will work together to provide resources, research and convene the grantees to provide a learning community that will encourage innovation and collaboration.
