NOTE: Organizations without an IRS determination letter will need to establish their public charity status with independent and adequate documentation. For example, a congregation may be covered under a group ruling granted by the IRS to its parent denomination or judicatory; in such a case, the congregation would need to provide documentation of both i) the parent's group ruling and ii) the congregation's inclusion as a "subordinate" organization covered under that group ruling.

4. Effect of Grant: If your organization is not now a private foundation, will receipt of the grant requested from Lilly Endowment cause your organization to become a private foundation?

Yes No

5. Lobbying: Does your organization make expenditures to carry on propaganda or otherwise to attempt to influence legislation?

Yes No

If yes, please attach an itemized budget for the project or program for which you seek a grant from the Endowment showing that no part of the grant will be used for such activities.
