

Christian Parenting & Caregiving Initiative

Grants Listing

In June 2023, Lilly Endowment Inc. approved 77 grants to organizations across the United States through its Christian Parenting and Caregiving Initiative, which builds on recent research that affirms the pivotal role parents play in the religious lives of their children (read the [news release](#)).

Ranging from \$240,000 to \$1.25 million, the grants will assist organizations in designing and implementing programs to help interested parents and caregivers directly or through congregational ministries learn, adapt and embrace time-honored practices to share their faith and values with their children. In addition, the Endowment made a \$2.6 million grant to Indiana Wesleyan University to support a coordination program for grantees in this initiative.
