PUBLIC SCHOOLS AND PRIVATE SCHOOLS PHASE 3 GRANTS LISTS

In November 2025, Lilly Endowment approved 34 grants to help K-12 public and private schools, school districts and networks through the competitive third phase of the Marion County K-12 Schools Initiatives. The aim of the initiatives is to help K-12 schools initiate, enhance or expand compelling programs and projects that show promise to improve their students' academic achievement and prospects for post-secondary success. Phase 3 follows a non-competitive implementation round announced earlier this year. You can view that Phase 2 grantee list [here](#).
